A New Beginning!

HAPPY NEW YEAR!!

It's always refreshing to feel like you have a new start, another chance to "get it right", sometimes that is how we see a new year. A new year is always a time for resolutions, you know, those things we make with all the best intentions of keeping?? Did you make any resolutions? Did you say that you would study harder to get better grades? Or clean your room without being hounded to? Maybe you said you would eat healthier, less junk food? Well, those are ALL great resolutions to make, but I would like for you to think about adding this one: (you know what's coming don't you?) To attend Sunday school !! Speaking of NEW beginnings, we are starting a new Sunday School program. For the next 7 weeks, beginning January 8 until Lent, K-5th will be meeting in Fellowship Hall as one class. In addition to the kids attending this class we are inviting and encouraging their parents to join. That's right! This is a FAMILY Sunday school class (parents: if for some reason you cannot attend we still want your kids!!) This class will

be lead by Mrs. Younkin. She will covering topics such as: The Gift of Time, Imitation is a Virtue, Made in God's Image, Being a Star Shine with God's Intended Light, Discovering our Gifts, Strength to Face Stress and Hot Topics: What does the Bible have to say about? (swearing, music, movies, bullying, etc.) As for 6th-9th, you guys will still meet in Johnny's class. And last but not least...10th-12th you guys are invited to join the ADULT Sunday school class! We hope to see you all there!

Our Offering

Mrs. Younkin's class (pre K-2) chose a pig as our Heiffer project for this semester's offering goal. Please don't forget to be good stewards by remembering to bring your offering.

Resolutions that may sound good but maybe aren't:
I will conserve water... by showering less!
I will help my mom keep her resolution...by eating all the sweets in the house!
I will get more exercise...by going up and down the basement stairs to play on my Xbox!
